Cathal	Gavaghan	I am seeking election to the Connemara Pony Breeder Society because I have a strong interest in the future of the Pony and in supporting breeders, through my involvement in breeding and producing quality ponies I know the importance of maintaining the breeds standards and performance. I would like to contribute to the continued development and promotion of the Connemara pony both in Ireland and Internationally. If elected I will work to represent breeders and help ensure the long-term strength and success of the breed.
Ger	O' Riain	If elected I will represent all members of the Ulster region openly and transparently. I will strive to serve breeders while working at all times fo the welfare and future of our wonderful inheritance, The Connemara Pony
