I confirm that I have read and understand the terms and conditions outlined in the procedures and conditions documents available on the <https://cpbs.ie/cpbs-breeding-programme>.

By submitting this application, I agree to have my pony, as described on this form, inspected by persons appointed by the Council of the Connemara Pony Breeders' Society (CPBS) for classification in the CPBS Studbook. I agree to comply with the Procedures and Conditions for Inspection and Classification of Connemara Ponies, available at <https://cpbs.ie/cpbs-breeding-programme>.

I confirm that the details provided by me are accurate and accept responsibility for any additional fees arising from errors in my application. If my animal has not been tested for HWSD, a sample will be taken on the day of inspection. I understand that my passport will not be updated until the results of the HWSD test are returned. Additionally, if my animal is not yet transferred to a genotype profile a second sample will be secured on the day. I understand that DNA data will be shared with the National Breeding Services Programme for research purposes.

I accept the Inspectors' decision as final and binding. I also acknowledge that the CPBS processes personal data in line with the GDPR Act 2018 and that I have read and understood the GDPR Notice and Privacy Policy available at www.cpbs.ie.
