E.mail: enquiries@cpbs.ie

Procedure for importing a Connemara Pony from a Daughter Society

- Where it is not clearly visible on the passport, confirmation of the Class that the pony is in from the society it is registered with.
- Request from the laboratory in which the pony was DNA profiled and parentage tested that a copy of the DNA profile is sent from that lab to Weatherbys Scientific, C/O Irish Equine Centre, Johnstown, Naas, Co. Kildare.
- Complete pedigree from the daughter society complete with the UELN numbers for the lineage.
- If the pony was born in 2016 or after and where a HWSD test has not been completed this must be completed with the CPBS.
- The passport and endorsement fee of €50members and €75 non members to be sent to the CPBS, The Showgrounds, Clifden, Co. Galway, so that the pony may be registered with the CPBS.
- A completed transfer of ownership must also be completed where the pony has been purchased or lease agreement where leased.
